

*The Better Way to a Better Window®*

# It's time to fall in love with your home all over again.

Whether you're replacing your old windows because they're broken, drafty, or require too much maintenance, we know you have lots of questions. There are many considerations – glass, window frame material, style, hardware, color, and warranty to name a few. But most importantly, you want the job done right. You want it to be a smooth, easy process, and you want it to be done by a company you can trust before, during, and after installation.

**That's why you want Renewal by Andersen.**  
We offer a start-to-finish process. All you need to do is sit back and relax, knowing you made the right choice in window replacement.

## The Renewal by Andersen Process is Easy...

### Get Started

Give us a call, visit our website, or stop by one of our showrooms to schedule a **FREE** in-home consultation.

### Set Up a Time to Meet

We will meet in the comfort of your home at a time convenient for you to discuss your project.

### Sit Back and Relax

You've selected a professional company that can handle the entire replacement process from start to finish.

## Replace Old Expectations

We believe your Renewal by Andersen® experience is about more than just windows. It's about caring for you and your home, every step of the way.

We own our entire process, from start to finish. What does that mean for you? It means we listen. It means we measure, we build, and we install. And it means we promise to stand by our product, today, tomorrow, and years into the future.

## A Heritage That Looks to the Future

For more than a century, Andersen® products and patents have revolutionized the window and door industry. We pair that legacy of quality and innovation with a skilled team of specialists who are dedicated to making sure your window replacement is the best home improvement project you've ever done.

## From Our Family to Yours

Your home is unique. It shouldn't be treated like every other house on the block. This is the place where you and your family are making memories and celebrating moments, both big and small. We want to make sure your new windows suit your home life.

You only want to replace your windows one time, so who you choose to do your project is important. When you work with Renewal by Andersen, you know you'll get an exclusive product that is durable, customizable, and beautiful. And you know we'll take care of you – and your home – from start to finish, and beyond.

*the best* **PEOPLE**

*a superior* **PROCESS**

*an exclusive* **PRODUCT**

From consultation to installation, Renewal by Andersen offers one-company accountability backed by a legacy of excellence. We're proud to work with the best people, offer a superior, start-to-finish replacement process, and provide you with exclusive, industry-leading products. **THAT'S RENEWAL BY ANDERSEN SIGNATURE SERVICE.**

# Feel Confident Entrusting Your Home to the Masters

By working with the best people across the board, we're able to push industry installation standards to new heights. Rigorously trained, respectful, and friendly, you'll see why we're proud to call them Certified Master Installers.

**A QUALITY EXPERIENCE IS IN THE DETAILS**

We've long understood that all the care, pride, and craftsmanship we put into our products would mean little without professional installation. It's from these standards that we created our Certified Master Installer program.

**WE TAKE A UNIQUE APPROACH**

Not only do we provide a quality, professional process from start to finish, our Certified Master Installer program takes this to the next level by placing your new windows and patio doors in the hands of skilled Master Installers with years of experience.

**OUR STANDARDS ARE TOUGH**

Prior to certification, we require all trainers, installers, and locations to demonstrate their knowledge of construction materials, building codes, and installation methods. We understand you work hard for your home, and we want you to be as comfortable as possible throughout the installation process.

**ONLY THE BEST PEOPLE MAKE THE CUT**

We take pride in setting the highest standards in the market, with no stone left unturned. This includes the men and women installing your windows. We're proud to put our name in their hands.

# What are Renewal by Andersen® windows made of?

All of our windows are made of Fibrex® material, a revolutionary composite made from reclaimed wood fiber blended with a polymer. This gives our windows the strength and durability of wood and the low-maintenance features of vinyl, while greatly limiting thermal transmittance found in other window materials such as metal.

Unlike many other window materials, Fibrex composite material won't flake, rust, blister, peel, crack, pit, or corrode.<sup>1</sup> It is also two times stronger than vinyl and resists warping and bowing. Never worry about scraping or painting your windows again.

Andersen  
**EXCLUSIVE**  
FEATURE

ENGINEERED WITH  
**FIBREX®**  
MATERIAL

**SMART MATERIALS**

Fibrex® material is twice as strong as vinyl, so weathertight seals stay weathertight.

**EXCEPTIONAL COMFORT**

Fibrex® material blocks thermal transfer nearly 700 times better than aluminum to help reduce heating and cooling bills.

**COLOR CHOICE**

Our unique process fuses color to Fibrex® material for long-lasting beauty as well as offering dark exterior colors not available on most other replacement windows.

**EXCEPTIONAL DURABILITY**

Fibrex® material retains its stability and rigidity in all climates.<sup>2</sup>

## An Unmatched History

Founded in 1903, Andersen Corporation quickly revolutionized the way windows were built and installed. Over the years, Andersen has introduced many industry firsts. Andersen continues to be a leader in producing products that last longer, look better, and function smoothly for many years.

To this day, Andersen Corporation operates under the core principles founder Hans Andersen put in place over a century ago. When you purchase Renewal by Andersen® windows, you're purchasing time-tested innovation – and a piece of history that will last for years to come.<sup>1</sup>

Andersen CORPORATION  
Celebrating  
**115** Years  
1903–2018

# Double-Hung WINDOWS

This classic window style is an excellent choice no matter where you live. Choose gently curved Contemporary or squared Traditional Check Rails.

## CONVENIENT

Easy cleaning from the inside.

## ELEGANT

Traditional look of mortise-and-tenon styling.

## ACCURATE

Appropriate for restoration and renovation projects.

Double-Hung Equal Window

Double-Hung Cottage Style Window

Double-Hung Reverse Cottage Style Window (One)

Double-Hung Windows / White Exterior / Colonial Grilles

# Casement and Awning WINDOWS

Casement windows catch a breeze and direct fresh air indoors, allowing the most ventilation of any window style. Awning windows let in fresh air, even on rainy days!

## EASY

Casement windows open wide to allow easy cleaning of outside glass from the inside<sup>4</sup> and can be hinged from the right or left.

## SECURE

One lever positioned in an easy-to-reach location securely locks the casement window at multiple points for a weathertight seal.

## EFFICIENT

Casement and awning windows are our most energy-efficient ventilating window styles.

## CONVENIENT

Awning windows are recommended for use over cabinets, counters, or areas where opening and closing require a reach.

Awning Window / Pine Interior

Casement Window / Terracotta Interior

# Gliding WINDOWS

Whether you're creating a new look or matching the original window style of your home, maximize your view with slim, easy to slide, contemporary gliding windows.

**BEAUTIFUL**  
Narrow, contoured frames allow more glass viewing area.

**RELIABLE**  
Fibrex® material tracks are shaped for easier cleaning and will not pit, rust, or corrode.<sup>1</sup>

**VERSATILE**  
Both sashes slide, so you can open either the left side, the right side, or a portion of both.<sup>5</sup>

**UNIQUE**  
A great solution when a projecting window may interfere with walkways, patios, decks, or landscaping.

## How Window Performance is Rated

### Energy Efficiency Rating

To help homeowners, in 1992 the National Fenestration Rating Council (NFRC) established an independent third-party rating, certification, and labeling program for windows, doors, and skylights (fenestration products).

  National Fenestration Rating Council CASEMENT PICTURE WINDOW Dual-Pane Low-E4 SmartSun Glazing with Argon Product Type: Fixed	
<b>ENERGY PERFORMANCE RATINGS</b>	
U-Factor <b>0.26</b> (U.S./I-P)	Solar Heat Gain Coefficient <b>1.48</b> (Metric/SI)
<b>ADDITIONAL PERFORMANCE RATINGS</b>	
Visible Transmittance <b>0.53</b>	Air Infiltration <b>0.00</b>
<small>Manufacturers stipulate that these ratings conform to applicable NFRC procedures for determining whole product performance. NFRC ratings are determined for a fixed set of environmental conditions and a specific product size. NFRC does not warrant any product and does not accept the validity of any product for any specific use. Consult manufacturer's literature for other product performance information.</small>	
<small>Sample label shown</small>	

Warm Weather Performance

Cool Weather Performance

Renewal by Andersen displays the NFRC label on all of its windows. This label means that the entire window unit has been rated and certified, not just the center of the glass or individual components. See our Energy Efficiency brochure for additional information.

# Picture WINDOWS

Transform your home with picture windows that can stand alone beautifully or can be combined with other window styles for added curb appeal.

- ADAPTABLE**

Match or change your home's appearance by combining picture windows with other windows.
- STRONG**

Using strong Fibrex® material frames, our picture windows easily support the weight of the heavy glass commonly needed for large picture windows.
- VERSATILE**

Like all of our windows, picture window glass is available tempered, tinted, or in a wide variety of decorative patterns.

# Insect Screen OPTIONS

Even when it comes to insect screens, you can let your personal style guide you.

## Repel Invaders

Insect screens are included on every operable window from Renewal by Andersen. Each is lightweight and designed to be easily removed from the inside of your home for easy cleaning. All insect screens are constructed with an aluminum frame and your choice of fiberglass, aluminum, or our innovative TruScene® insect screens. Half insect screens are available on double-hung windows.

TruScene insect screens are like nothing you've ever seen!

## High Transparency

### TruScene® Insect Screen

With over 50% more clarity than our standard insect screen,<sup>9</sup> it's virtually invisible. TruScene insect screens are made with a micro-fine stainless steel mesh that's one-third the diameter of standard screen wire<sup>9</sup> to let more fresh air and sunlight in, while keeping most of the smallest insects out.

- Lets more light in
- Superior ventilation
- Protection against some of the smallest insects
- Patented technology

### Wood-Veneered TruScene® Insect Screen

Our wood-veneered TruScene® insect screen blends seamlessly into the window frame and can be stained or painted to match your decor. Available on casement and awning windows only.

- Real Maple
- Real Pine
- Real Oak

## Conventional

### Fiberglass Insect Screen

Fiberglass is the most common type of insect screen. It is strong and keeps the majority of bugs out while allowing plenty of air flow.

### Aluminum Insect Screen

Our aluminum insect screen has a charcoal powder coating to reduce glare and increase visibility. It is also strong and has good ventilation and corrosion resistance.

# Hardware Finish OPTIONS

Sophistication...a whisper of style and confidence.

## Define Your Style

Not only does Renewal by Andersen® hardware function well, but its metal construction is also long-lasting.<sup>1</sup> With multiple color options, you can match your home's existing colors or change the look by choosing a new color that complements your new windows.

With so many design options, you can create the windows you've always wanted with the design features that are right for you and your home.

Do you want to make your mark? With our Estate Hardware metal finishes, explore the many creative possibilities sure to add charm to your home that others will notice!

# Patio Door Engineering

A combination of details  
not found elsewhere.

FUNCTIONAL REQUIREMENTS:

- "Performance Grade LC (Light Commercial)" water and air leakage resistance

ENGINEERING SOLUTION:

- Weatherstrip interlock system

HOMEOWNER BENEFIT:

Patio doors with a higher performance grade than other residential patio doors.

Frenchwood® Gliding Patio Door  
Pine Interior  
Newbury® Bright Brass Hardware

FUNCTIONAL REQUIREMENTS:

- Reduce water infiltration during extreme weather events

ENGINEERING SOLUTION:

- Contain and drain sill (Frenchwood® Patio Doors only)

HOMEOWNER BENEFIT:

Rare water infiltration, even in the worst storms, because excess water is contained, then drained away from the house.

FUNCTIONAL REQUIREMENTS:

- Door operation

ENGINEERING SOLUTION:

- Ball bearing track rollers

HOMEOWNER BENEFIT:

A gliding door that glides reliably and has superior weathertightness.

FUNCTIONAL REQUIREMENTS:

- Strengthen corner joints
- Increase patio door beauty

ENGINEERING SOLUTION:

- Mortise-and-tenon corner joint

HOMEOWNER BENEFIT:

Unique corner key design increases structural integrity and beauty.

## Patio Door Security

### Gliding Patio Door Locks

The unique Andersen® reach-out locking system pulls the door panel snugly into the jamb for weathertightness and enhanced security.

### Hinged Patio Door Locks

Five-point locking system improves energy efficiency and offers an increased level of security. Also available is an optional handle extension kit, which creates additional clearance for interior blinds and shades.

## Insect Screens

Hinged, double-hinged, gliding, and retractable insect screens are options for your Andersen patio doors – and are available in an exterior color to match your patio door.

### Hinged Insect Screen

COMPATIBLE WITH:  
Frenchwood hinged patio doors (one panel)

### Double-Hinged Insect Screen

COMPATIBLE WITH:  
Frenchwood hinged patio doors (two panel)

### Gliding Insect Screen

COMPATIBLE WITH:  
Frenchwood hinged patio doors (two panel), all gliding patio doors

### Retractable Insect Screen

COMPATIBLE WITH:  
Frenchwood hinged outswing patio doors,<sup>14</sup> all gliding patio doors

## Blinds-Between-the-Glass

Convenient blinds-between-the-glass are now available on select doors.

White blinds are located between the panes of insulated glass, protected from dust and damage

Glass is easy to clean without the need to move the blinds

Cordless design to easily raise, lower or tilt blinds for control of light and privacy

Available on doors with White exteriors and Unfinished Pine or Prefinished White interiors

## Security

### Exterior Keyed Locks

COMPATIBLE WITH:  
All patio doors

### Auxiliary Foot Lock

Offers an extra measure of security when the door is in the locked position. It can also hold the operating panel partially open.

COMPATIBLE WITH:  
Gliding patio doors only

# Glass OPTIONS

Maximize your energy savings.

## All the Right Rays

Each Renewal by Andersen® glass option offers four unique benefits for heating, cooling, visible light transfer, and ultraviolet (UV) protection. The glass solution for you depends on the climate you live in, the architectural design of your home, and the orientation of your windows to the sun.

## A Revolutionary Sash Design

Renewal by Andersen's combination of high standards in engineering and exclusive materials are critical components for energy efficiency and long-term performance. Our glass constructions are certified for durability by the world's leading organizations for the engineering and manufacturing of insulating glass.

## Performance

### HIGH-PERFORMANCE Low-E4® SmartSun™ Glass

SmartSun glass is our most energy-efficient glass option. It has our highest efficiency rating in cool weather and is exceptional in hot climates where solar heat gain can lead to excessive air conditioning expense. SmartSun glass lets in almost as much natural daylight as clear glass.

45% more energy efficient in winter<sup>15</sup>

70% more efficient in summer<sup>15</sup>

Blocks 95% of UV rays that can damage drapes, artwork, and furniture

### HIGH-PERFORMANCE Low-E4® Glass

Helps to keep your home warmer in winter, cooler in summer, and filters out most ultraviolet rays. Outstanding overall performance in climates where both heating and cooling costs are a concern.

45% more energy efficient in winter<sup>15</sup>

56% more efficient in summer<sup>15</sup>

Blocks 84% of harmful UV rays

### HIGH-PERFORMANCE Low-E4® SmartSun™ Glass with HeatLock® Technology

Meets today's most stringent energy codes and requirements.

The newest glass technology

Reflects escaping heat back into the room

Helps make your living space feel warmer

### HIGH-PERFORMANCE Low-E4® Sun Glass

Sun glass has our highest rating against solar heat gain coming through your window to help keep your home cooler in warm weather. A tint coating reduces the amount of visible light and sunshine streaming in from the outside.

Includes a tint coating to reduce visible light

Our highest rating against solar heat gain

Helps keep your home cooler in warm weather

## Patterns

Obscure

Reed<sup>16</sup>

Fern

Cascade<sup>16</sup>

## Strength

Our tempered glass option is heat-treated to be at least four times stronger than standard annealed glass.

## Your Design:

## Your Window Design Consultant will help you along every step of your project by...

- ...listening to your needs
- ...providing solutions that may add value to your home
- ...helping you determine the best style for your home
- ...communicating your project's progress
- ...saving you time and stress

## Industry-Leading Warranty

We stand behind our products and services.

The Renewal by Andersen® limited warranty is one of the strongest you'll find on any window or door, at any price. It's non-prorated and fully transferable. Every window we make is labeled with our toll-free number, should you have any issues with your window. It's one more way that you know we're here for you now and well into the future.

## Your satisfaction is our measure for success.

Nationwide, a homeowner satisfaction survey is sent to each home after every project we do. Customer satisfaction is a primary component of the Renewal by Andersen culture. Your feedback has proven to be an invaluable asset as we continue our never-ending mission to improve our products and services.

## Call us today.

We would love to help you with your replacement project.

## Window and Door Replacement from a Company You Can Trust®

**Don't just take our word for it.** Renewal by Andersen has long been committed to environmentally responsible products and manufacturing methods. Our efforts have been recorded and recognized by leading organizations with some of the most rigorous standards in the United States.
